WORK-BASED LEARNING

IN PARTNERSHIP WITH

Napa County Office of Education, Napa Valley Unified School District,
St. Helena Unified School District, Calistoga Joint Unified School District

Preparing students for college, career, & life.

WORK-BASED LEARNING

Work-based learning is essential in preparing all students for success in postsecondary education and careers. Work-based learning experiences involve interactions with industry or community professionals that are linked to career exploration and work experiences. Napa County has two Work-Based Learning Specialists that are working directly with students, educators, employers, and the community to help create these experiences.

- ✓ Learning **ABOUT** work
- ✓ Learning **THROUGH** work
- ✓ Learning **FOR** work

SPECIALIZED SERVICES FOR CTE PATHWAY STUDENTS

Career Technical Education Pathways allow students to explore their interests and create a better future for themselves through hands-on, real world learning. Authentic projects and skills prepare students for college, career, and life.

- ✓ Career Exploration
- ✓ Career Preparation
- ✓ Company Tours
- ✓ Job Shadows
- ✓ Mentorships
